

Construction Update

November 22, 2024

As construction progresses on the Ladyface Greenway Project, we would like to inform you that there will be no construction activities on the following days in observance of the upcoming holidays:

Thanksgiving Day	November 28, 2024
Day After Thanksgiving	November 29, 2024
Christmas Eve	December 24, 2024
Christmas Day	December 25, 2024
New Year's Eve	December 31, 2024
New Year's Day	January 1, 2025

Currently, pile drilling and concrete pouring activities are proceeding with the utmost care. To ensure optimal load-bearing capacity, special attention is being given to the precise placement of rebar—a steel reinforcement cage designed to provide strength and stability once the concrete is poured. An example of rebar placement is shown to the right.

We sincerely appreciate your patience and understanding throughout this construction project and wish you a joyful and happy holiday season!

Reinforcement Placement for CIDH Pile.

HAPPY
Holidays

Stay Up To Date
