

# Construction Update

April 23, 2025

Dear Residents and Business Owners,

This notice is to inform you that traffic control continues to be in place at Agoura Road and Cornell Road. Your continued patience and cooperation are greatly appreciated as we work to complete this essential work safely and efficiently.

Please note that two separate construction projects are taking place simultaneously off of Cornell Road, across from one another. While the Ladyface Greenway Project (Project #1) is being conducted by our team, we would like to inform residents and businesses that the second project, managed by another contractor, also has active traffic control in the immediate area. Both projects are coordinating efforts to minimize disruptions.

We appreciate your patience and understanding as we work to improve our community's infrastructure. Every effort will be made to minimize disruptions and complete the work as efficiently as possible.

Your patience and cooperation are appreciated as we work to improve our community!

*Please be aware that due to the dynamic nature of construction and potential weather delays, certain work activities may take longer than initially anticipated.*

## WHAT TO EXPECT, SHARE THE ROAD

**Lane Closures:** A single lane will remain open with flaggers on-site to direct traffic.

**Be Prepared to Stop:** Traffic control personnel will be managing vehicle flow. Expect frequent stops.

**Delays in the Area:** Plan for additional travel time and consider alternate routes when possible.

**Two Simultaneous Projects:** Construction crews will be performing two projects concurrently in the vicinity of Agoura Road at Cornell Road.

**Bike Lanes Closed:** Bicycle lanes will be temporarily closed. Cyclists are advised to share the road with caution during this period.

## Stay Up To Date
